

Five Reasons to Use MDReview

- 1. Lack of internal expertise** – There may be circumstances in which your organization lacks the internal expertise or experience to complete a review. MDReview provides an unprecedented level of clinical oversight and expertise.
- 2. Exhausted internal process** – When you have reached an impasse internally, MDReview offers an extensive network of Board Certified and actively practicing physicians in every specialty and sub specialty in all 50 states.
- 3. Review for new privileges** – MDReview understands the support your need for credentialing and privileging and can effectively assist with the increasing demand for credentialing for new technologies and procedures.
- 4. Political issues** - We are always aware of the gravity of each case and attuned to the potential for personal and professional consequences for everyone involved.
- 5. Determine medical necessity** - MDReview offers a professional and exceptional review that assesses whether patient records contain appropriate rationale for the care provided and to determine, in some cases, whether the care was reasonable, necessary, or appropriate.
